

DAR LIGHTING GROUP APLICA WAYNE BATHROOM WALL LIGHT POLISHED CHROME GLASS IP44

The WAYNE bathroom wall light with a textured glass shade and polished chrome metalwork. The textured glass creates a stunning effect when on and looks equally brilliant when off. We find it works best in pairs framing a mirror. Just because the Wayne is designed for the bathroom doesn’t mean it can’t be used in other rooms such as bedrooms, lounges or kitchens.Measurements D17 x H20 x W14cm
