

GTV LAMPADAR - LAMPA PODEA ARTEMIA F,2300,AC220-240V,50/60HZ,1*E27, MAX.40W, IP20, DIAMETER 16,3CM, SINGLE, GREY

ARTEMIA lamp is a
perfect floor luminaire for lovers of modern and Scandinavian style. The design of the lamp introduces a touch of retro style to our interiors.
The ARTEMIA floor luminaire is ideally suited to the design of the living room, kitchen, dining room or teenagers' room. The elegant grey colour of the lampshade together with the copper fixture makes it universally usable.
The lampshade lining is white, which makes the emitted light bright and properly diffused, while the round base ensures the stability of the lamp.
A characteristic element of the ARTEMIA luminaire is a
lampshade on a
long, metal arm, for the adjustment of the beam angle, used to illuminate the selected area. The metal lampshade is the perfect match with modern and Scandinavian style;
The classic shape fits in any interior;
Smart and fashionable combination of grey and copper colours;
The metal arm allows to direct the beam of light on a
chosen area;
