### **DAR LIGHTING GROUP LAMPA SUSPENDATA OWAIN 1 LIGHT PENDANT PEWTER**

The OWAIN 1 light pendant ceiling light is a spun metal pendant finished in pewter with a pewter coloured inner surface suspended from a pewter coloured ceiling plate by luxury black braided cable. This 31cm diameter single light pendant is height adjustable on installation. It is of a size that makes it suitable for low ceilings. The OWAIN 1 light pendant ceiling light has a cut out top and a rolled edge giving it an authentic vintage feel. The OWAIN can be dressed up or down with the choice of lamps, bright clear GLS LED lamps giving a modern bright look, or warm glowing LED vintage style lamps to enhance the more industrial feel. It will look great in the kitchen, over a breakfast bar or in the hall. It is part of our featured collections Refined Industrial. The OWAIN 1 light pendant ceiling light takes a GLS E27 60W lamp. We recommend using one of our highly efficient dimmable LED vintage style lamps available in both a warm golden glow or a brighter clear light. Take a look at our LED Lamps for the full range. Measurements H min32 - max122 x O31cm

Fixing Plate Dimensions H2.5 x O9cm
