**LEGRAND CONNECTED USA ENTRY KIT CLASSE 100X16E - 5INCHES
SCREEN AND LINEA 3000 STREET PANEL**

Caracteristici tehnice

Connected handsfree kit

One-family handsfree kit with:

Classe 100X16E Wi-Fi connected video indoor unit, handsfree function, inductive loop, 5" LCD display

Linea 3000 pushbutton panel with zamak front cover, wide angle colour camera, proximity reader and with a set of coloured key cards and two clear discs for door lock release

Can be configured for one-family and two-family installations

It can manage a maximum of 20 key cards (125 KHz) for the electric door lock release

(including the one for the system management). Nameplate lit by white LED

Can be wall or flush installed with specific accessories: (350020) flush mounted box and (343061) flush mounted accessory - to be purchased separately. Can be fitted with rainshield (343051)- to be purchased separately

The pushbutton panel has a protection index IP54 - protection index against mechanical impact IK10

The video indoor unit has inductive loop function (to enable use by people wearing hearing aids fitted with T selector) and has :

2 physical keys for the control of the main functions : answer and end a call

3 touch keys for the control of the main functions : door lock release, staircase light control and entrance panel activation/scrolling

4 configurable touch keys that perform different functions : e.g. intercom, additional door lock activation, generic activations

a side lever to adjust: colour, brightness and display contrast, audio volume, call tone volume and Wi-Fi configuration

There are call exclusion notification LEDs and Wi-Fi

Also, thanks to the Wi-Fi connection, you can associate the video indoor unit to the Door Entry App (available for Android and iOS). You can manage the main video indoor unit functions (receiving calls, opening the door lock, activating the entrance panel/scrolling, firmware updating and additional activations) from the App.

The installation can be made to the wall using the bracket supplied or using table support accessories (2 x 344692) - to be purchased separately

The device also has Professional Studio (Office) function and must be configured

Complete one family kit

Easy switch to two families system by purchasing an additional internal unit - refer to 2

Wires system internal units range
