**DAR LIGHTING GROUP APLICA NAKITA WALL LIGHT ANTIQUE
BRASS WITH TWISTED OPEN GLASS**

The Nakita single wall light in antique brass and clear glass shade. The heavy glass pressed glass shade of the Nakita single wall light has a twisted pattern that flows with the arms and gives an interesting and beautiful lighting effect when on and still glistens in ambient light when off. The antique brass finish is gaining popularity again in modern interiors but always has a timeless look in more period properties. The pull cord switch means you can switch it independently to the other lights in your room without the expense of adding extra wall switches. If you already have an extra wall switch don't worry you can easily set the switch to 'on' and remove the cord. The Nakita single wall light is perfect for bedrooms where it can be mounted on either side of the bed, freeing space and the pull cord switch is easy to turn on in the dark. Equally It can be used in hallways or any other indoor living space. The Nakita single wall light takes a G9 lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full range.
