**DAR LIGHTING GROUP APLICA MILES WALL LIGHT ANTIQUE
COPPER SMOKED GLASS**

The MILES in-door wall light is an industrial style wall light in an antique copper finish with a lightly smoke tinted glass shade. It is designed to be hard wired into a light switch. It is a larger sized wall light that will give off a good amount of light and add character and atmosphere to a space. The MILES Wall Light vintage styling make it a great piece for adding interest to any vintage, industrial or loft living style. It is equally at home in the kitchen, living room, dining room or home office. It can be dressed up or down with the choice of lamps, bright clear GLS LED lamps giving a modern bright look, or warm glowing LED vintage style lamps to give a more industrial feel. It is part of our featured collections LED Lamps for the full range. Measurements D24 x H23 x W18cm
