### **SCHNEIDER PRIZA, UNICA SYSTEM, PRODUS COMPLET FRENCH IP44 GREY**

This Unica System + floor socket XS size can be flush mounted into concrete or raised access floors. It comes pre-equipped with a power Schuko type socket outlet. This single-power outlet device comes in square shape. Its dimensions are 43 mm height, 90 mm width and 90 mm length. In concrete floors, the floor sockets are mounted in screeded floor boxes. In raised-access floors, the floor sockets are mounted in dedicated raised-access floor boxes. A 180A° openable lid facilitates access to the power outlet, while an ergonomic lid grip makes opening the box simple. Unica System+ floor sockets XS are made of brushed metal that is robust and ready for rough handling. The products are also IP44 certified. Unica System+ solutions are designed for residential and building applications like offices, schools, airports and other public buildings. The range provide innovative functions for electrical installations and simple and ergonomic workplace solutions.
