WIHA HEAVY-DUTY DIAGONAL CUTTERS PROFESSIONAL ELECTRIC WITH DYNAMICJOINT® - | 160 MM

Description
Cutting many cables and wires to length over a long period requires a great deal of force and causes considerable strain on wrists. Wiha heavy-duty diagonal cutters with a two-component handle provide effortless cutting for tough usage. The plier joint with DynamicJoint® ensures hand force is optimally applied when cutting, providing up to 40% greater cutting force. Its triggered opening spring allows the user to work effortlessly for long periods of time. With their semi-circular head, these powerful pliers also guarantee a clean cut edge. The ergonomically shaped plier handle ensures comfortable, fatigue-proof work. These heavy-duty diagonal cutters are also manufactured as per the international IEC 60900 standard and are thus approved for working on live parts up to 1,000 V AC. The high-quality chrome-plated plier surface provides protection against rust, ensuring the pliers have a long service life. These heavy-duty diagonal cutters are the ideal tool for applications in the field of electrics.

Standards
DIN ISO 5749.
Manufactured acc. to IEC 60900.

Application
Power-assisted all-round diagonal cutter for cutting soft to extremely hard wires and cables.

Greutate:165g
Pret: 219,64 LEI (TVA inclus)
