WIHA EXTENSIE IZOLATA 125 MM | 1/2" MM

Description
Safety is the top priority when users are working on live parts. Combined with the insulated ratchet wrench or T-handle adapter, the Extensie izolata enables easy access to deep-set screws and bolts. The Extensie izolata is subject to individual piece testing as per the international IEC 60900 standard, thus ensuring safe work on live parts up to 1,000 V AC.

Application
Extension for fastening deep-set screws. For work in the area of live parts up to 1,000 V AC.

Note
Only compatible with insulated ratchet wrench, T-handle adapter and nut driver from Wiha.

Greutate:270g
Pret: 150,63 LEI (TVA inclus)
