

WIHA PLIERS SET PROFESSIONAL ELECTRIC

Description

Safety is the top priority when users are working on live parts. The Professional electric plier set supplies the perfect basic equipment for electricians and other electricity specialists. Wiha Patent cu nas with an extra-long plier head are eminently suitable for inserting low-lying components. Wiha Patent combinat provide a safe, non-slip grip in all work situations. Also contained in the set, the diagonal cutters impress as a universal cutter to slice soft and hard wires. Its Special DynamicJoint® design also reduces effort required for cutting. The ergonomically shaped multi-component handles with anti-slip protection also ensure users can work safely and comfortably. Thanks to their chrome-plated plier head, they are also protected against rust. These pliers undergo routine individual piece testing as per the international IEC 60900 standard, thus providing users with a tool to work safely on live parts up to 1,000 V AC.

Standards

Manufactured acc. to IEC 60900.

Design

All pliers made of high quality tool steel, hardened, polished and chrome-plated.
Multi-component handles with slip guard for safe and comfortable operation.
Individually tested for electrical safety in accordance with IEC 60900:2012.
Weight 820 g.

Content

VDE Patent combinat, series Z 01 0 06, 180 mm - with Wiha DynamicJoint®
VDE diagonal cutters, series Z 12 0 06, 160 mm - with Wiha DynamicJoint®
Patent cu nas series Z 05 0 06, 200 mm

Application

For work in the area of live parts up to 1,000 V AC.

Greutate:903g

Pret: 453,49 LEI (TVA inclus)
