WIHA CLESTE DYNAMICJOINT® 180 MM | 7 "

Description
A tradesman's tool kit would be incomplete without a universal cutter to cut hard and soft wires. The diagonal cutters Professional electric by Wiha prove themselves to be robust, all-rounder pliers. The plier joint with DynamicJoint® ensures hand force is optimally applied when cutting, providing up to 40% greater cutting force. With their semi-circular head, these precision pliers also provide a clean cut edge. The ergonomically shaped plier handle ensures comfortable, fatigue-proof work. The high-quality chrome-plated plier surface also provides protection against rust, ensuring the pliers have a long service life. These diagonal cutters are also manufactured as per the international IEC 60900 standard and are thus approved for working on live parts up to 1,000 V AC.

Standards
Manufactured acc. to IEC 60900.

Application
For cutting cables as well as soft and hard wires. For working on live parts up to 1,000 V AC.

Greutate:275g
Pret: 169,73 LEI (TVA inclus)
