

### **UNIOR THROUGH AXLE ADAPTOR FOR 1693R 476G**

#### Caracteristicile produsului

Through axle adaptor is compatible with 1693R series road stands. It enables fixation of bikes with 12 mm or 15 mm through axles. To mount the bicycle on the adaptor, simply remove the wheel from the bike and install the bike's through axle back in to the fork or frame; adaptor then clamps the through axle and secures the bike in place. Masa: 476g

Pret: 534,10 LEI (TVA inclus)
