

UNIOR PRO ROAD REPAIR STAND, WITH PLATE

Caracteristicile produsului

Pro Road Repair Stand with plate is a sophisticated product, developed in cooperation with some of the best World Tour mechanics.

The stand has a fork mount system and is specially designed to work on bikes, where standard clamping-system is not suitable to use.

Stand is built from strong aluminum and steel parts and is suitable for workshop use, due to its steel plate, which offers great stability

The upper assembly is angle adjustable, while the complete stand is adjustable by height.

The stand is suitable for work on mountain bikes as well.

The stand can be also upgraded to support bicycles with through axles, with additional through axle adaptor – article number 1693R.2.

Pret: 4.591,08 LEI (TVA inclus)
