

NOARK ?NTRERUPATOARELE CREPUSCULARE EX9LAS 1CO 230V

Push button input: NO
Degree of protection (IP): IP20
Adjustment range brightness value:
Mounting method: DIN rail
Width in number of modular spacings: 1
Nominal rated frequency:
Rated switch current: 16
Nominal rated voltage: 230
Max. conductor length light sensor: 50
Protection class light sensor: II
Mounting method light sensor:
Degree of protection (IP) light sensor: IP44
With programmable overnight shutoff: NO
Built-in depth: 59

Pret: 318,68 LEI (TVA inclus)
