

LEGRAND DETECTOR MISCARE PLEXO IP55 - DETECTION ANGLE 360° - SURFACE MOUNTING - GRI

Caracteristici tehnice

Ideal for outdoor and humid areas

PIR IP 55 wall or ceiling-mounting motion sensors, 360°

With directional head, range 08 m

Fix directly to ceiling or wall (min. height: 1.70 m)

3-wire with neutral

Light level threshold: 1 to 1000 lux

Adjustable time delay: 12 s to 16 min

Standby Consum: 0.9 W

Optimum distance between 2 sensors: 6 m

Grey

Caracteristici generale

Motion sensors for 1 circuit - motion sensors for passage areas without natural light

Automatic on/off

Manual adjustment of light level threshold and time delay via potentiometer

Pret: 297,20 LEI (TVA inclus)
