

DAR LIGHTING GROUP LAMPA SUSPENDATA MIKARA 12 LIGHT CLUSTER PENDANT POLISHED CHROME GLASS 1.5M

The Mikara 12 Light Cluster Pendant is a cluster ceiling light of 6 art glass pendants with a subtle blue and orange marble effect inspired by the planets with polished chrome detailing. Featuring a 1.5m maximum drop on black fabric cable. Great for stairwells, double height ceilings, or hanging low above tables in the dining room or kitchen. We've actually seen the Mikara used to great effect in pairs to create a lit room divide. The Mikara 12 Light Cluster Pendant light takes a G9 lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full range.Measurements H150 x O44cm
