

DAR LIGHTING GROUP LAMPA SUSPENDATA AYNA 6 LIGHT SINGLE PENDANT REAL ASH VENEER SATIN NICKEL

The Anya 6 light wooden pendant Is constructed from real ash veneer onto a sputnik like metal frame, creating what seems like an explosion of soft wood swirls. The Anya ceiling pendant looks great off but the thin wood veneer shows it’s natural translucence when lit. Fitted with a real wood ceiling cup and a stainless steel suspension system with 1m of cable which is adjustable on installation. The swirls are made from real ash laminated to PVC to help prevent splitting, some careful assembly is required.Measurements H min62 - max150 x O60cm
