

DAR LIGHTING GROUP LAMPA SUSPENDATA NIDA PENDANT ANTIQUE BRASS GLASS

The Nida single pendant light in seeded glass and antique brass. The elegant shape of the Nida single pendant features glass with inclusions of small bubbles. The 1 metre antique brass chain and clear cable can be shortened on installation. The lamp holder features a small amount of adjustment to allow for straightening of the mouth blown glass shade which will always be slightly irregular because of the nature of the hand made process. The Nida single pendant light looks great in a trio above a long table, or breakfast bar, but also works great in hallways and lounges. We've also seen them used in the bedroom as a bedside lamps hanging low over side tables freeing up space on the night stand. The Nida single pendant looks great with our vintage E27 (ES) LED filament Edison lamp, take a look at our LED Lamps for the full range.Measurements
