

DAR LIGHTING GROUP APLICA ORTEGA OUTDOOR SINGLE SPOTLIGHT **NATURAL BRASS IP65**

The neat Ortega wall spotlight in an antique brass finish features a precision machined solid brass cylinder with clear glass, mounted on a matching round wall plate. Adjustable, so you can direct the light just where you want, this is an attractive and practical addition to your outside space. The Ortega garden spotlight has an IP65 rating, so is resistant to moisture or dust making it perfect for safe outdoor use. Please note, solid brass does not corrode but it will darken to a natural patina over a few months. If desired, it can be polished to be a bright shine using a household brass cleaner. Energy-efficient LED bulb supplied; takes 1 x 35W max GU10 reflector. Measurements D18 x H16 x W7cm
