

DAR LIGHTING GROUP APLICA VAPOUR COACH LANTERN OUTDOOR WALL LIGHT WEATHERED BRASS IP44

The Vapour single light outdoor wall light is a contemporary take on the traditional coach lantern design. Wall mounted, this ornamental yet practical lantern is made of steel with a hand-finished weathered brass patina finish, inside and out, lacquered for durability in the British weather. The three clear panels are tempered glass for safety and enclose a pair of candle-style lampholders. This classic style of garden light is surprisingly versatile, looking at home on anything from a Chelsea town house to a Cotswold barn conversion. Please note, as each hand-finished item is unique, the finish may vary. IP44 rated for safe outdoor use. Bulb not included; takes 1 x 60W max small Edison screw candle.Measurements D11 x H34 x W16cm
