

DAR LIGHTING GROUP APLICA KENSINGTON 1 LIGHT SWING ARM WALL LIGHT ANTIQUE BRASS

The Kensington swing arm wall light in antique brass harks back to a time of quality. Inspired by library lamps with it’s adjustable reach and metal shade it’s perfect to add a level of sophistication. We’ve updated the style a little simplifying it for the more modern interior. We think it works great with the latest trend in panelled walls. The toggle switch means you can turn it on and off when using it rather than using the wall switch.
