

DAR LIGHTING GROUP APLICA RONDA 2 LIGHT WALL LIGHT IVORY

The Ronda 2 light wall lamp with ivory silk shade, is a slimline design, protruding less into the room. With two E27 (ES) lamp holders, this double wall light can give out a lot of light depending on the bulbs used. Acrylic diffusers top and bottom allow for a glare-free light. The Ronda 2 light wall lamp is specifically designed with bedrooms and hotel rooms in mind, offering a good light to light the room giving that luxury Hotel at Home look. It can also be used in the lounge or hallway where its slimline design comes into its own. The Ronda 2 light wall lamp takes E27 (SES) lamps. We'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k; take a look at our LED Lamps for the full range.Measurements D12.5 x H11 x W40cm
