

DAR LIGHTING GROUP APLICA FEYA WALL LIGHT POLISHED CHROME SMOKED GLASS

The FEYA wall light in polished chrome and smoked glass. A simple wall light that looks at home in most modern interiors. The simple graphical design with large radiuses looks modern and fresh, working equally well against bold colours or monotone interior design schemes. The Feya wall light takes a G9 lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full range.Measurements D14 x H20 x W10cm
