

DAR LIGHTING GROUP APLICA LYON WALL LIGHT POLISHED CHROME & CRYSTAL

The LYON wall light has a faceted crystal bobeche sitting atop a sweeping and intersecting arm to create this modern take on a classical wall light. A bobeche is a collar originally intended to catch the drips of wax on a candlestick; here they add a touch of authenticity to our contemporary design. The light is also supplied with two sets of candle drips for use with or without shades (shades sold separately) and fitted with a discreetly located rocker switch.Measurements D15 x H24 x W8cm
