

IEK BRIDA 2,5X180MM NYLON NEGRU (100PCS.)

Nylon cable clamps are designed for bundling and installation of cables and conductors. Cable clamps are one of the most convenient, fast and economically sound fastening and banding methods when performing electrical works. Made from high quality raw materials with special complex additives. The new formula material clamps ensures the preservation of strength and elasticity during installation, operation, transportation and storage. This material preserves high strength and flexibility when having sufficient rigidity at wide range of temperatures, high resistance to organic solvents, combustive and lubricating materials and alkalies, high electrical insulation properties and does not support combustion.Convenient, fast and cost-effective method of fastening and banding cables during electrical work.
Resistant to ultraviolet light, organic solvents, fuels and lubricants and alkalis, have high electrical insulation properties and are flame-retardant.Model: EV007973
Material: EV000139
Width: 2.5
Length: 180
Colour: EV000206
Tensile strength: 80
Operating temperature: -25...75
Operation temperature: -25...75
Band closure: EV009884
Text strip: EV000494
Type of fastening: EV000494
Length belt/tape/tie: 180
Tie thickness: 1.00
Band width: 3.0
Pret: 8,40 LEI (TVA inclus)
