

IEK DOWEL BRIDA S HD 7X150 GRI (50PCS./SET)

Intended for feast and convenient laying of cabling along the walls. This item ensures easy and fast mounting allowing to get rid of classic dowels and bolt screws in the process of cable laying. Clamps can be used both inside and outside the premises. Re-usable lock of these clamps allows performing secondary laying of cables along the route mounted applying HD clamps. Products sustain the load of 8 kg that is why they provide for fastening along the walls not only cabling but also PVC crinkled hoses and rigid plain pipes.Suitable for use both indoors and outdoors.
Allow to exclude dowels and screws during the installation.
