

SCHNEIDER UNICA SYSTEM , PROFILE, COLOANA , 1.9M, ANTRACIT

Schneider Electric Unica System+ pole INS45005 is a pole profile including two soft cable entry compartments in color anthracite. Being made of aluminium material, this pole is quite reliable and resistant. Two soft entry compartments enable quick cable storage inside the profile. The cable capacity in each compartment 670 mm2. It is 60 mm in width, 60 mm in depth, and 1.9 m length. This product is sold in 1 piece. It can be used for mounting of both a single-sided or double-sided Pole. The Pole profile is compatible with the Modular Units and Pole accessories (pole foot, end pieces etc.). This pole is SVHC (substances of very high concern) free too. And it is mercury free. And heavy metal free, which takes care of the environment and your health as always. Unica System + a range of innovative and easy-to-install power supply and cable management solutions. Based on a contemporary design, that bring you flexibility, comfort, and a clutter-free working environment.Main
