

GTV LAMPA TAVAN - CEILING FIXTURE KERALA, 3239, AC220-240V,50/60HZ,1*E27, IP20, DIAMETER 16 CM,SINGLE, BLACK

KERALA is a perfect fixture for a modern and Scandinavian style lovers. It is a very aesthetic and elegant addition to your interiors. KERALA lamp is ideal for arranging a living room, a kitchen or a dining room. Subdued colours and gentle shapes create a harmonious combination, indirectly affecting our well-being. Lamps with a deep non-transparent lampshade, due to their structure, cannot be used as central lighting. They should rather be used as supplementary lighting or lighting of selected zones and places, e.g. a dining table. By hanging a few lamps side by side, you can successfully illuminate long and narrow spaces, such as a hall. The metal lampshade matches perfectly modern and Scandinavian interiors; The classic shape will be perfect for any room – a living room, a kitchen, a dining room; Pastel colours and soft shapes that are the most fashionable in this season; Middle size lamp for one light source – the diameter of the lampshade is 16 cm. Power of light source or device max.40 W
