

GTV LAMPA TAVAN - CEILING FIXTURE TESS,2394,AC220-240V,50/60HZ,1*E27, IP20, DIAMETER 24 CM,SINGLE, BLACK/GOLD

TESS luminaire is the perfect solution allowing to display construction materials of the interior – the wire lampshade fits in this design trend. The original design of the lamp is based on a fashionable loft style dominated by raw materials: brick, metal, and glass. TESS creates the impression of an

open shade and does not overwhelm the interior. The black metal lampshade in the shape of a rounded cone harmonizes well with the golden mount. The combination of black colour with gold makes the

rounded cone harmonizes well with the golden mount. The combination of black colour with gold makes the lamp look extraordinary, eye-catching and adds a

unique character to the interior. This makes it a

great decoration in a

living room or an open kitchen, e.g. over a

large wooden table. It looks perfect and stylish against a

brick wall. Modern light sources with filaments, which look great even with the light turned off, add a special character to the TESS luminaire. The metal lampshade fits perfectly into loft, vintage, and retro interiors:

The unconventional shape and form of the lampshade is a

form of interior decoration:

The elegant, and fashionable combination of black with gold highlights the sophisticated beauty of the luminaire – shades of gold add elegance to the interior, but also attract the eye and brighten the room; The wire form adds the lamp charm and elegance, and when turned on, the emitted light creates a beautiful play of light and shade;
