

GTV SPOT - CEILING FIXTURE VERSO,4199,AC220-240V, 50/60 HZ, IP 20,1*GU10, ES111 SINGLE, BLACK/GOLD

VERSO is a modern-style luminaire with an extremely raw design. The semi-open, two-colour body houses two ES111 light sources embedded in a moving head, allowing to direct the light beam in any direction. The power cord ended with the GU10 socket features a metal braid, which fits very well with the inner golden finish of the luminaire. Gold is a warm and distinctive colour. Metallic accents beautifully illuminate the black components of the luminaire and soften the harsh expression of black. The VERSO luminaire can be used in the living and dining room, and in the corridor. The most beautiful effect is obtained when a few identical luminaires are installed next to each other in the room. The lamp is made of high-quality aluminium, which guarantees long-term use. Modern and bold style; Adjustable heads to illuminate a selected part of the room; Timeless, always fashionable black and gold colours that fit both in spacious and high interiors, and in small rooms; Meticulous workmanship guarantees long-term use; Medium-sized lamp for one light source – GU10, type ES111. Power of light source or device max.40 W Voltage 220-240 V Material metal Base type GU10 , ES111 Producător cod OS-VERSO-11-DEC Pret: 131,35 LEI (TVA inclus)
