

**GTV LAMPA TAVAN - CEILING FIXTURE VIELA 2,6996,AC220-240V,50/60HZ,1\*E27, IP20, DIAMETER 35 CM,SINGLE,BLACK/GOLD**

VIELA is a pendant lamp for industrial and loft style lovers. Lamps with wire lampshades, which are hanged on long cables, match both styles. VIELA ensures very good lighting of the space. The lamp will look beautiful in a raw guest room, living room or as a practical lighting above the kitchen table or above the island. It can also be successfully used as lighting for a covered terrace.

A characteristic feature of this lamp is a metal lampshade made of fine mesh, which creates a shadow of delicate spider web on the ceiling and walls when you turn on the light. The spherical, wire lampshade hides space for one E27 light source. Filament sources, sometimes resembling traditional bulbs almost exactly, work best in this type of lamps.

The lamp is black. Black introduced to the interior in the form of additions adds elegance and sensuality. Black, metal lampshade perfectly matches rooms in loft and industrial style;

The spherical, wire structure performs a decorative function even when the light is turned off – the openwork structure of the lamp exposes the bulb, therefore, LED light source with decorative filaments will be perfect for VIELA lamp; Elegant and always fashionable black colour is an extraordinary proposition but also universal and timeless – when for such a

lamp a few additional, decorative accents in a similar shade are chosen (for example a vase, flower pots or photo frames), an original style of the apartment will be gained; The possibility of adjusting the length of the lamp by shortening the cable.

Middle size fixture for one E27 light source – the diameter of the lampshade is 25

cm. Power of light source or device max.40 W

Weight 1200 g
