

GTV SPOT - CEILING LIGHT FIXTURE BLINK, AC220-240V, 50/60 HZ, GU10, MAX. 20W, IP20, SINGLE, BLACK

A fixture in an interesting, minimalist style is a
universal lighting solution. Tube-shaped adjustable heads are suitable for light sources with a
GU10
thread. It is good to choose a
light source with a
glass bulb to create a
harmonious combination. The fixture perfectly matches minimalist interiors.
The direction of light can be adjusted in horizontal and vertical planes.
Replaceable light source allowing for an individual choice of power and colour temperature of the light.
Voltage 220-240 V
Material aluminium/cast iron
Base type GU10
Producent code OS-BLN50W1-00
Pret: 52,27 LEI (TVA inclus)
