

GTV SPOT - CEILING LUMINAIRE FARGO 2, ALUMINUM, 70X166MM, IP20, MAX 20W, ROUND, BLACK

A ceiling fixture is in line with the current interior design trends. Thanks to its small size, it is the perfect complement to a
modern interior. The function of changing the light angle in the range of 60° and the ability to rotate in the range of 360° can be used to illuminate decorative elements, such as paintings, or to light up hard-to-reach places. GU10
socket integrated with the fixture;
Rotation range in the vertical axis – 360°;
Durable and proven structure will ensure long-term, trouble-free use;
All necessary mounting elements are included in a
set with the fixture;
Universal application due to ability of changing the horizontal light angle in the range of 60°. Voltage 220-240 V
Material aluminium/cast iron
Base type GU10
Producent code OS-FRG20W2-00
Pret: 56,07 LEI (TVA inclus)
