

**GTV LAMPA TAVAN - CEILING LUMINAIRE MUNO 2 , 5266, MAX.250V, 50/60HZ,  
1\*E27, MAX.25 W, DIA.25 CM, IP20, BLACK**

Muno pendant lamp is a refined lighting in a glamour style, which, in addition to the design tailored to the needs of the style, performs an important functional task, illuminating the interior in an extremely cosy and warm way. The pendant lamp is well-thought-out design that harmoniously combines aesthetic and practical needs. The light source enclosed in a round lampshade illuminates the space in a subdued way. This is due to the well-thought-out construction of the glass body in the shape of a gentle ball. The lack of annoying glaring light in the eyes and subtle flares are added values that will delight every user.

Muno pendant lamp has been created in three colour variants. Golden beige, anthracite grey and deep, saturated green. With their help, you will create arrangements in bright interiors dominated by white and beige, in dark, elegant spaces full of saturated colours, as well as in rooms with additions of gold and glitter, in a

classic glamour style. Regardless of the chosen colour variant, Muno ceiling lamp will add elegance and character, diffusing light in a

warm, stylish way. Beautiful glamour style for elegant, full of light interiors.

Warm, diffused light, increasing the feeling of cosiness.

Embossed glass in a subtle rhombus motif.

Universal colours with the ability to match any arrangement. Producent code OS-MUNO2-10-DEC

Pret: 199,79 LEI (TVA inclus)
