

GTV SPOT - CEILING LUMINAIRE ORIO, ALUMINIUM, 24.0×5.5×14.0 , IP20, 2*GU10, MAX. 50W, ROUND, BLACK

Orio ceiling fitting – a
functional addition with an elegant character
Orio ceiling fitting has been designed to be universally adaptable to many arrangements. It is a
stylish complement to modern, minimalist or eclectic interiors. The simple design seamlessly fits into the diverse needs of office spaces, but it also adds character and cosiness to home interiors.
Orio ceiling luminaire is a
collection of several different models. Orio ceiling lamp has been created in two basic colours: elegant black in matt and subtle white. In both cases with adding a
claw golden finish. Both ceiling luminaires, in white and black, are available in three variants to choose from so that comprehensive lighting with different power within the same line of lamps can be designed. The single-point Orio ceiling luminaire is mounted to the ceiling with a
round base, the luminaire with the light source is movable. The two-point ceiling fitting has a
rectangular base with two separate, movable light points. The three-point ceiling luminaire also has a rectangular base, and three movable light points can be set in any direction. Movable heads allow you to change the angle of incidence of light;
Universal, always fashionable combination of colors;
Built-in GU10
socket. Voltage 220-240 V
Material aluminium/cast iron
Base type GU10
Producent code OS-ORI-2GU10-10
