

GTV SPOT - CEILING LUMINAIRE RIVEN, ALUM, 102×120, IP54, MAX.35W, ROUND, GRAPHITE

Riven ceiling fitting – stylish lighting for interiors and terraces
Riven ceiling fitting is lighting that can be used indoors, but also as outdoor lighting – it can operate in the range from -20
to +35
degrees Celsius. The minimalist nature of light points is a
perfect complement to modernity, minimalism or Scandinavian style. This visual simplicity makes it possible to match Riven ceiling lamps to many different arrangements, in which they gracefully blend into the character of the interior, adding a
touch of elegance.
Riven ceiling luminaire is available in two visual variants – with a
circle and a
square base. Despite its subtle dimensions, the ceiling spot light fitting illuminates the chosen space well, ensuring the effect of minimalism of the form at the same time.
Visual details make Riven ceiling spot light fitting a
piece of art in itself. The body of the luminaire is made of elegant black aluminium in a
matt finish with a
transparent polycarbonate clearance at the bottom. The light source is hidden by a
milky cover that ensures that the light does not dazzle the eyes even when looking at its direction. Built-in GU10
socket;
Max. light source power 35
W;
Increased IP54
moisture protection. Producent code OS-RIV102OKG-30
Pret: 76,12 LEI (TVA inclus)
