

GTV CORP DE ILUMINAT - VEIOZA MOUSE , 5495, MAX.250V, 50/60HZ, 1*E27, MAX.25 W, DIA.8 CM, IP20, NAVY/YELLOW

Mouse desk lamp is an excellent choice for kindergarteners, pre-schoolers or newly minted students who are starting their school adventure. A functional combination of good illumination of the desk top with an attractive form for small recipients of good style.
Mouse children’s desk lamp is a
combination of practical convenience and refined design. Zoned lighting of a
children’s desk will help ensure comfort during work and healthy eyesight. An organizer for writing tools connected to the base of the lamp will help to control the chaos of space. The attractive form of the lamp with mouse ears will interest users, encouraging them to spend time in a
fabulously arranged interior.
Mouse children’s desk lamp is a
model available in four colour variants. From the classic combination of elegant black with gold, through pastel pink with blue, blue with yellow, to the contrasting duet of saturated navy blue, energetic yellow and red. Each of the colours will add a
lot of visual joy to children’s rooms, stimulating creativity. Energetic combination of carefully selected colours.
A children’s design that will stimulate the imagination and bring a
smile to the faces of little explorers.
Well-thought-out functionality for the comfort of the youngest.
In Mouse series you will find consistent lighting for all the needs of the children’s kingdom. Producent code LB-MOUS-27-DEC
