

**GTV CORP DE ILUMINAT - VEIOZA RINGO,4W, 200LM. DC5V,1A, 3000K-6000K, 3-CCT,BAT.1200 MAH, RA>80, DIMMABLE, BLACK**

The RINGO desk lamp is a modern and versatile solution for lighting your workplace. Mounted to the worktop using a special spring bracket, it allows full freedom of mounting location, providing flexibility and convenience in use. Thanks to the built-in 1000 mAh battery, the RINGO lamp can be used directly on the battery, which increases its mobility. Charging the lamp is easy and convenient thanks to the included 1 meter USB cable. Just plug it into any USB port. One of the unique features of the RINGO lamp is the ability to change the color of light. It offers three different color options: warm 3000 K, neutral 4000 K and cool 6000 K, so you can customize the lighting to suit different needs and moods. An additional advantage is the dimming function, which allows you to gently adjust the brightness, ensuring comfort and optimal lighting conditions. The RINGO desk lamp combines modern design with practical functions, making it a perfect choice for home, office or any working space. The RINGO desk lamp provides flexible installation and modern lighting for your workplace. Built-in 1000mAh rechargeable battery and included USB cable for easy charging and mobility. Three light colour options (3000 K, 4000 K, 6000 K) allow you to adjust the lighting to your needs. The dimming function ensures comfort and optimal lighting conditions. Voltage 5 V
