

GTV CORP DE ILUMINAT - VEIOZA SELVIA II , 5341, MAX.250V, 50/60HZ, 1*E14, MAX.25 W, DI.10 CM, IP20, NAVY BLUE

Selvia II desk lamp is an elegant addition to your home office or company space. It will effectively illuminate the selected place, providing an elegant and balanced element of the arrangement at the same time.
The desk lamp is part of a
larger series of Selvia II lighting, with which modern spaces can be arranged. Its neat form does not require much space, and well-thought-out functionality will effectively illuminate the working space on the desk.
The movable head of the lamp allows for adjustment of the point of incidence of light to individual needs.
Selvia desk lamp is a
modern concept for minimalist, classic, glamour or Scandinavian style spaces. Its simple form fits universally with numerous arrangements. The choice of beautiful colours allows for creation of your own arrangement, in accordance with needs. You can choose from classic black, elegant navy blue, deep red or stylish gold. Each of the colours illuminates the beautifully reflecting golden interior. Stylish addition to office arrangements.
Well-thought-out functionality and lighting of the workplace.
An elegant formula that fits many arrangements.
A simple visual concept, thanks to which the lamp blends easily with additions. Producent code LB-SELVII-25-DEC
Pret: 120,21 LEI (TVA inclus)
