ARTEMIA lamp is a
perfect floor luminaire for lovers of modern and Scandinavian style. The design of the lamp introduces a touch of retro style to our interiors.
The ARTEMIA floor luminaire is ideally suited to the design of the living room, kitchen, dining room or teenagers' room. The lampshade lining is white, which makes the emitted light bright and properly diffused, while the round base ensures the stability of the lamp.
A characteristic element of the ARTEMIA luminaire is a
lampshade on a
long, metal arm, for the adjustment of the beam angle, used to illuminate the selected area. The metal lampshade is the perfect match with modern and Scandinavian style;
The classic shape fits in any interior;
Smart and fashionable combination of black and golden colours that adds luxury and sophisticated elegance to any home;
The metal arm allows to direct the beam of light on a
chosen area;
Medium-sized lamp for one light source – the diameter of the lampshade is 16.5
cm. The lamp height is 170
cm. Power of light source or device max.40 W
