

GTV LAMPADAR - LAMPA PODEA LAMIA , 9362, MAX.250V, 50/60HZ, 1*E27, MAX.40W, IP20, DIA.30, 6 CM, BLACK/GOLD

A floor lamp is another HIT in Lamia collection that creates unlimited design possibilities in complementing interiors with practical additions. A well-thought-out form, simple construction and carefully selected materials create a
unique effect for stylish home and office spaces.
The standing floor lamp is a
functional complement to the interior design. It combines subtle modernity with minimalism and elements of classic design. A well-thought-out composition is created by carefully selected materials: a
marriage of milky glass of a
rounded lampshade with metal in the colour of classic gold and subdued black of a
slim leg.
The non-transparent lampshade adds brightness in the selected zone, without the effect of reflection and glaring the eyes. Lamia floor lamp is a
great complement to the arrangement in a
classic and modern style with a
hint of controlled eclecticism. Check out the entire Lamia collection – there are as many as 4
models of lamps for different needs, each of them will add class to the interior. Classic design with carefully composed materials.
Stylish effect with a
touch of elegance.
Warm, cosy floor lighting where you need it.
Versatile in creating arrangements in various styles. Producent code LP-LAM-11-DEC
