Mouse standing floor lamp is a
perfect complement to a
children’s room, which you can place exactly where more light is needed. Refined design that stimulates the imagination, beautiful colours and comfortable functionality.
The floor lamp in the Mouse collection can stand alone, it perfectly complements the zonal lighting in the selected place, it adds a
sense of cosiness, spreading light around it. It can also be used in an arrangement with other types of lamps from Mouse series – all together create a
bright, colourful space, adapted to the needs of the youngest.
Mouse floor lamp will be perfect for younger and older children. The refined, stylish form with ornaments straight from favourite fairy tales will delight creative users who will find joy in beautiful shapes and colours.
A combination of shimmering gold with black, pastel pink with blue, navy blue with energetic red and yellow, and a
gentle blue with the addition of sunny yellow is to choose from. Practical lighting of the selected space in the children’s room.
Refined design that stimulates the imagination and adds colour to the interior.
Thought out functionality with a
convenient switch.
A modestly sized floor lamp for which you will find a
place in every children’s room. Producent code LP-MOUS-20-DEC
