

GTV LAMPADAR - LAMPA PODEA SELVIA II , 5990, MAX.250V, 50/60HZ, 1*E27, MAX.25 W, IP20, DIA.12 CM, NAVY BLUE

Selvia II floor standing lamp is a
stylish addition to living rooms, studies, bedrooms, but also to cafes, restaurants and other public spaces. Its subtle design makes it easy to create a
stylish arrangement in which the selected zone is properly illuminated, and the lamp itself is an unquestionable decorative element.
Selvia II floor lamp decorates, completes the arrangement and fulfils a
functional task, perfectly illuminating the selected space. It has the ability to set where the light falls. Therefore, it will be perfect as additional lighting where more brightness or independent light is needed, creating a
cosy atmosphere in the evenings.
Selvia II floor lamp has been designed to meet various needs. Its fashionable formula fits perfectly into modern, minimalist arrangements, but thanks to the classic line, it will also be perfect for eclectic or traditional interiors. Available colours facilitate individual adjustment to the needs. Classic black, energetic red or subdued navy blue can be chosen – all elegant and all with a
golden, light-reflecting interior. A well-thought-out form that combines minimalism and elegance. Functional addition to any interior.
A universal style that will complement private and public spaces.
Cosy lighting with refined details that will add an elegant touch to any arrangement. Producent code LP-SELVII-25-DEC
