

**GTV CORP DE ILUMINAT PENTRU EXTERIOR - GARDEN FIXTURE MARINA-P,E27,
MAX.20W,IP54,AC220-240V,50-60HZ,PILLAR,BLACK**

With its design, the luminaire fits perfectly into the atmosphere of gardens in restaurants and taverns, which it decorates, emitting pleasant light. The shade, covered by polycarbonate "panels", includes an E27 socket. As a light source, it is best to choose a filament bulb up to 20 W.

The marina is perfect for places stylized as seaside taverns and retro-style restaurants, giving them an idyllic touch. Lamp suitable for outdoor installation – IP54;

Suitable for creating nautical and retro interiors. Voltage 220-240 V

Material aluminium/cast iron

Base type E27

Producent code OS-MARINAP-00

Pret: 67,45 LEI (TVA inclus)
