

GTV SPOT - LED FIXTURE ARTEMIDA,15W,1420LM,AC220-240V,50/60 HZ,PF>0,9,RA?80,IP20,IK08,4000K,38DEGREES,RECTANGLE,WHITE

Surface mounted fitting Artemida – exclusive minimalism
Surface mounted lighting Artemida is a
refined line of elegant aluminium luminaires that will complement minimalist, modern or loft interiors. Their non-intrusive design makes it possible to create any compositions. This universal lighting will look great in a living room, a
hall or a
kitchen, but it will also works well in modern offices.
Surface mounted Artemida LED fitting is available in two variants to choose from – 9-point based on a square and 6-point based on a
rectangle. Both models are available in matt finish in white and black colours. They can be easily matched to any arrangement. They look great in the composition of a
few light points, located at any distance from each other.
Surface mounted Artemida LED lamp is an artful energy saving lighting with an integrated light source. It provides excellent zonal lighting with a
warm light colour temperature, which will add cosiness to the interior, maintaining an exceptionally modern style. Narrow light beam angle;
Modern design;
Aluminium body with a
matt finish. Color temperature 4000 K
