

GTV SPOT - LED FIXTURE SIERRA,8W,720LM,AC220-240V,50/60 HZ,PF>0,5,RA?80,IP20,IK08,4000K,48DEGREES,WHITE

Surface mounted LED fitting Sierra. The surface mounted LED fitting can be mounted on the ceiling or wall. A movable module enables the direction of the light beam to a
selected area. Energy saving lighting with an integrated light source in a
neutral, eye-pleasing colour temperature, is a
perfect complement to modern and industrial interiors. Available in smaller and larger variants – three-point and six-point, gives great freedom in arrangement and the ability to control the lighting intensity. The ceiling lamp is made of aluminium finished in an elegant matt in two universal colours – white and black. A moveable ring to change the lighting angle
Lenticular light sources
