Surface mounted Bianco fitting – a
finishing touch of modernity
Surface mounted Bianco LED fitting has been designed for styles that require restraint – modern or loft. But it is also perfect for interiors of a
different nature. These are LED light points in an extremely economical form of design, thanks to which you can achieve various visual effects.
LED lighting Bianco is perfect as a
ceiling spotlight fitting or a
wall fitting. Due to the fact that the tilting LED luminaire provides the ability to direct the light beam where it is needed, it will easily fit into any needs. It looks great in a
hall – illuminating photos, in the living room – emphasizing the beauty of paintings or in a
modern office, adding cosiness to industrial interiors.
Surface mounted spotlight Bianco pleases the eye with two basic shapes – based on a
square and a
circle, and elegant colours of white and black in a
stylish matt. This energy saving lighting illuminates the space in spots in a
neutral colour temperature. Control panel with touchscreen
