Bianco will be ideally suited to modern interiors thanks to its design. It can light up both vertically down and at an angle, enabling illumination of any chosen space.
The metal body in a
matt finish has an integrated LED light source in a
neutral colour temperature, ideal for lighting a
living room and a
kitchen.
Bianco is a
very durable product that is why it has a
3
years warranty. Narrow beam angle – it will be perfect for illuminating the most important accents in an apartment.
An angle adjustment makes it possible to light up both vertically down and at an angle of 90° horizontally.
A moving head enables the rotation of the lighting part of fitting in the horizontal axis in the range of 350°.
IP20
