

GTV SPOT - LED LUMINAIRE PRIME, 10W,1000LM,AC220-240V,50/60 HZ,PF>0,5,RA?80,IP20,IK06,36DEGREES,4000K,WHITE

LED spotlight Prime – a
stylish complement to the interior
Light fitting Prime is surface mounted lighting that was designed with a
neat combination of functional comfort and great design in mind.
Prime is a
downlight type lighting – the fixtures are mounted pointwise on the ceiling, giving a
lot of freedom in terms of arrangement. A simple form is an elegant and universal complement to the style – aluminium fittings in a
subdued matt and three basic colours – white, black and practical grey.
Surface mounted spot luminaire Prime is suitable for passageways, offices, but also as lighting for a bedroom, a
living room or a
kitchen. It fits in virtually any place.
LED spotlight Prime is energy saving and it has an integrated light source with a
neutral colour temperature. The light beam is conical, so it makes it possible to control the intensity of lighting conveniently, choosing the number of luminaires according to needs. Fashionable, cylindrical shape;
High luminous efficiency 100
lm / 1
W;
Narrow light beam angle – 36°. Power of light source or device 10 W
Voltage 220-240 V
Color temperature 4000 K
Material aluminium/cast iron
Producent code LD-PRM10WB-NB
Pret: 81,81 LEI (TVA inclus)
