

GTV CORP DE ILUMINAT APLICAT PERETE - MOUSE WALL LUMINAIRE WITH SWITCH, 1953, MAX250V, 50/60HZ, 1*E27, MAX.25 W, IP20, DIA.8 CM, PINK

Mouse wall lamp is an ideal complement to the arrangement in children's rooms. It is practical, comfortable and visually adapted to the needs of small users. It is perfect for many applications, providing a neat visual addition.
The children's wall lamp has been designed for children's special expectations. A simple shape, decorated with "mouse" ears is an idea that will brighten every face. Mouse wall lamp will be perfect by the bed, where it will make reading books easier, it will also find application in the play corner, because it allows for direction of light beam where it is needed.
Mouse wall lamp is part of a larger series – a group of lighting products, among which you will find everything you need to illuminate the cosy rooms of the youngest. The refined design uses colours feria in which every child will find their favourite colour.
Choice of: a combination of shimmering gold with black, stimulating yellow with red and navy blue, a pastel combination of pink with blue and blue with energetic yellow. A functional wall lamp for children that will make the time spent in the room more pleasant.
Practical illumination of a selected zone, for example by the bed.
Children's design in cheerful colours.
Refined shapes, designed with the needs of the youngest imagination in mind. Producent code OS-MOUSW-20-DEC
Pret: 23,04 LEI (TVA inclus)
